ACTION TAKEN REPORT 2019-20

1. The IQAC has created a common format for the creation and maintenance of departmental data for the purpose of creating parity and uniformity of information that departments should preserve regarding their academic, curricular and co – curricular activities.
2. The academic year was suddenly and adversely affected due to the COVID19 pandemic that halted all activities of the College for some time. Online classes were started at the behest of the IQAC so that the damage caused in the teaching – learning process could be minimized. This was a thoroughly tough endeavour since this College is located in a rural area and most students did not have access to technology, devices and internet facility. It took quite some time and effort to sensitize students about the use of online platforms to attend classes online. The IQAC with the cooperation of the faculty members made consistent and sincere efforts to overcome this crisis.
3. The IQAC and the Purchase Committee together facilitated re- stocking and upgradation of the College library as a response to need for CBCS – compliant books for all departments. A substantial amount of Rupees One Lac sixty -five thousand fifty - six was spent on purchase of books during the year. This has definitely contributed towards easing the teaching – learning process for both students and teachers.
4. The IQAC has worked relentlessly towards raising consciousness among students regarding post – pandemic health and hygiene protocols. In collaboration with the NSS Unit of the College it has undertaken drives to sensitize students in this regard by encouraging students themselves to make posters and placards on this theme and display these in prominent places on the campus.
5. Feedback process was conducted online this year, under the initiative and monitoring of the IQAC.
6. Various Add-on-Courses were also planned and conducted by various departments of the college.
7. IQAC took the initiatives to sign MoUs with other colleges. MoUs were signed with Jhargram Raj College, Govt. General Degree College, Lalgarh and Govt. General Degree College, Kharagpur-II.

These proposals have been scrutinized by the IQAC and forwarded to the Head of the institution for approval and necessary action.
4. The proposal to sign MoUs with other Colleges in the vicinity have also been considered and approved by the IQAC as this is clearly a step towards better and higher quality of education for the students.
5. The College has been declared a ‘Plastic – Free Zone’ and teachers, non- teaching staff and students have been sensitized to minimize the use of plastic on the campus. Jute and cotton bags, steel tiffin boxes are to be used as far as possible. Posters, made by students, on the ill effects of plastic on the environment have been put up at prominent places in the College campus.
