5.1.4 - The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases. The Institution has a transparent mechanism for timely redressal of student related grievances. The institution confirms to tackle the issue of grievances. Below we discuss all the four points of student related issues.

## 1. Implementation of Guidelines of Statutory/Regulatory Bodies:

A. The Institution has a transparent Mechanism for timely redressal of Student Grievances including sexual harassment and ragging cases. The system to register the student's grievance is to register by offline or online. The online system to register the grievance is to submit by login in the college website: <https://nayagramprmgovtcollege.ac.in>. Similarly for the possible case of women sexual harassment in campus, the mechanism will be dealt according to the rule of "Handbook on Sexual Harassment of women at workplace Act, 2013". However there is no such cases in last 10 years of starting the College.

It is a regular routine in our college to pay attention to common grievances of the students at Principal's level and also during Internal Complaints Cell meetings. However some of those which require immediate attention are discussed in the meeting of Grievance and Redressal Cell.

- B. For the possible cases of ragging in campus, the mechanism will be dealt according to the rule of UGC, MHRD, GOI. However there is no such case in last 10 years of starting the college.
- C. Similarly, the code of conduct for Students to avoid their grievances is displayed in the college notice board as well as in the college website, Code of Conduct for students in this context.

## 2. Organisation wide awarness and under takings on policy with Zero Tolerance.

Through registering student's grievances through online process different types of poster describing 'Zero Tolerance to Ragging', etc are being put-up on the wall in college campus about rules and regulations for prevention of ragging, about punishment of ragging, steps are taken for removal of Student grievance, tendencies of ragging.

### 3. Mechanism for submission of online/offline student's Grievance:

The college follows the guidelines of statutory/regulatory bodies for the following grievances.

**Policy:** A Grievance Redressal Cell is constituted in this college. This works are done regularly with the active participation of chairperson along with the members of this cell. The aim of the cell is to solve or to discuss how to solve the case of student's grievances. This committee also gives suggestions to deal problem within time limit.

**Mechanism:** As a mechanism of student's grievance redressal there are two main ways. First by online method, and Second offline method. In the online method student can register his/her complain, by using the college website: <https://nayagramprmgovtcollege.ac.in> and submit his/her information like, his/her name, class category, college Roll No, Mobile Number and give details about category, College Roll No, Mobile Number and give details about his/her complaint. The aim of knowing the category of the student is to investigate whether there is any discrimination regarding this issue. The aim of knowing his/her name is to investigate whether there is any sexual harassment related issues in the complaint. However there is no case registered till date regarding this issue except some common and nominal grievances regularly.

Another mechanism of registering the complaint is through offline. The offline method is again of two ways, either putting a letter in the complaint box, or by direct meeting with Principal to give any written complaint.

Further, there are some other methods:

(a) Identity Card checking in front of the college entrance.

(b) The poster of code of conduct in the college.

(c) An online window is open in the college website specially for the purpose of registering student's grievance.

The college believes in promoting a safe and efficient climate by enforcing behavioral standards. All students must uphold academic integrity, respect all persons and their rights and property and safety of others, etc Any act of discrimination (Physical & Verbal conduct) based on an individual's gender, caste, race, religion or religious beliefs, color, region, language, disability or sexual orientation, marital or family status, physical or mental disability, gender identity etc.

Like these there are many types of code of conduct and discipline for students mentioned in the Code of Conduct for Students in the college website and the poster of code of conduct in the college.

This is for your kind information that the present intake capacity in B.A. General Course in our college is 330. Already 310 students have been admitted in this course up to the date 13/09/2021. Remaining 300 students are there in the merit list having chance to be admitted in this course. Our college is located in a backward region where the students want to be admitted in the nearby college to continue their higher education. Therefore, we are earnestly requesting you to increase the intake capacity of the said course to atleast 450. It will be beneficial for the students to continue their higher education if you allow to increase the number of intake capacity.

Please look into the matter and do the needful.

Subject: Prayer for the Introduction of Anthropology, Computer Science and Economics or Physics,  
Chemistry and Computer Science as General Subjects in the Academic Session, 2022-23

Respected Madam,

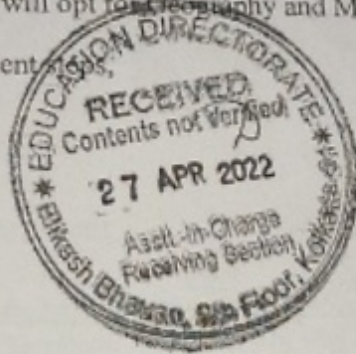

This is to inform you that as per CBCS system under Vidyasagar University all the subjects **except Geography and Mathematics** which are taught in our college have been treated as Arts subjects from the academic session 2018-2019. The introduction of B. Sc. General course needs at least three science subjects in the college. But, presently there are only two science subjects namely Geography (General) and Mathematics (General) in our college. So, in this situation it is not possible to introduce B. Sc. General course in the college. **It was previously intimated, but without the introduction of aforementioned subjects the B.Sc. general course was not offered in the college in the academic session 2018-19, 2019-20, 2020-21 and 2021-22.**

So, let me request you to consider my prayer for the introduction of Anthropology, Computer Science and Economics or Physics, Chemistry and Computer Science as General Subjects from the next Academic Session (2022-2023) so that the B.Sc. general course may be offered in the college in the academic session 2022-23. Otherwise, the college will not be able to cater to the needs of the students who will opt for Geography and Mathematics as B.Sc. General Subjects.

Respected Madam,

This is to inform you that at present the Department of Santali (General) has a total enrolment of 180 students taught by two full-time teachers. As the college is named after the legendary personality Pandit Raghunath Murmu (1905-1982) who is held as a great educationist especially as the founder of the 'Alchiki' script of 'Santali' language, there emerges a great demand for the introduction of Santali Honours course to cater to the educational need and aspiration of the students of Jungle-Mahal.

You are, therefore, requested to do the needful at your earliest convenience. I hope that you will give due importance to the aforementioned demand of the college.

5.1.4 - The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases. The Institution has a transparent mechanism for timely redressal of student related grievances. The institution confirms to tackle the issue of grievances. Below we discuss all the four points of student related issues.

## 1. Implementation of Guidelines of Statutory/Regulatory Bodies:

A. The Institution has a transparent Mechanism for timely redressal of Student Grievances including sexual harassment and ragging cases. The system to register the student's grievance is to register by offline or online. The online system to register the grievance is to submit by login in the college website: <https://nayagramprmgovtcollege.ac.in>. Similarly for the possible case of women sexual harassment in campus, the mechanism will be dealt according to the rule of "Handbook on Sexual Harassment of women at workplace Act, 2013". However there is no such cases in last 10 years of starting the College.

It is a regular routine in our college to pay attention to common grievances of the students at Principal's level and also during Internal Complaints Cell meetings. However some of those which require immediate attention are discussed in the meeting of Grievance and Redressal Cell.

- B. For the possible cases of ragging in campus, the mechanism will be dealt according to the rule of UGC, MHRD, GOI. However there is no such case in last 10 years of starting the college.
- C. Similarly, the code of conduct for Students to avoid their grievances is displayed in the college notice board as well as in the college website, Code of Conduct for students in this context.

## 2. Organisation wide awarness and under takings on policy with Zero Tolerance.

Through registering student's grievances through online process different types of poster describing 'Zero Tolerance to Ragging', etc are being put-up on the wall in college campus about rules and regulations for prevention of ragging, about punishment of ragging, steps are taken for removal of Student grievance, tendencies of ragging.

### 3. Mechanism for submission of online/offline student's Grievance:

The college follows the guidelines of statutory/regulatory bodies for the following grievances.

**Policy:** A Grievance Redressal Cell is constituted in this college. This works are done regularly with the active participation of chairperson along with the members of this cell. The aim of the cell is to solve or to discuss how to solve the case of student's grievances. This committee also gives suggestions to deal problem within time limit.

**Mechanism:** As a mechanism of student's grievance redressal there are two main ways. First by online method, and Second offline method. In the online method student can register his/her complain, by using the college website: <https://nayagramprmgovtcollege.ac.in> and submit his/her information like, his/her name, class category, college Roll No, Mobile Number and give details about category, College Roll No, Mobile Number and give details about his/her complaint. The aim of knowing the category of the student is to investigate whether there is any discrimination regarding this issue. The aim of knowing his/her name is to investigate whether there is any sexual harassment related issues in the complaint. However there is no case registered till date regarding this issue except some common and nominal grievances regularly.

Another mechanism of registering the complaint is through offline. The offline method is again of two ways, either putting a letter in the complaint box, or by direct meeting with Principal to give any written complaint.

Further, there are some other methods:

(a) Identity Card checking in front of the college entrance.

(b) The poster of code of conduct in the college.

(c) An online window is open in the college website specially for the purpose of registering student's grievance.

The college believes in promoting a safe and efficient climate by enforcing behavioral standards. All students must uphold academic integrity, respect all persons and their rights and property and safety of others, etc Any act of discrimination (Physical & Verbal conduct) based on an individual's gender, caste, race, religion or religious beliefs, color, region, language, disability or sexual orientation, marital or family status, physical or mental disability, gender identity etc.

Like these there are many types of code of conduct and discipline for students mentioned in the Code of Conduct for Students in the college website and the poster of code of conduct in the college.

Subject: Prayer for the Introduction of Anthropology, Computer Science and Economics or Physics,  
Chemistry and Computer Science as General Subjects in the Academic Session, 2022-23

Respected Madam,

This is to inform you that as per CBCS system under Vidyasagar University all the subjects **except Geography and Mathematics** which are taught in our college have been treated as Arts subjects from the academic session 2018-2019. The introduction of B. Sc. General course needs at least three science subjects in the college. But, presently there are only two science subjects namely Geography (General) and Mathematics (General) in our college. So, in this situation it is not possible to introduce B. Sc. General course in the college. **It was previously intimated, but without the introduction of aforementioned subjects the B.Sc. general course was not offered in the college in the academic session 2018-19, 2019-20, 2020-21 and 2021-22.**

So, let me request you to consider my prayer for the introduction of Anthropology, Computer Science and Economics or Physics, Chemistry and Computer Science as General Subjects from the next Academic Session (2022-2023) so that the B.Sc. general course may be offered in the college in the academic session 2022-23. Otherwise, the college will not be able to cater to the needs of the students who will opt for Geography and Mathematics as B.Sc. General Subjects.

হেতু আজও প্রাপ্ত করা হয়নি, এবং জনসংখ্যা-সংক্রান্ত  
অলাকার থেকেও আজ পর্যন্ত সারঞ্জালি 'অনার্স' কোর্স চালু  
হয়নি, তাই আমাদের কলেজের বহু পড়ুয়া Sandali Hons. Course

তাই স্বাক্ষর অর্থ সকল কারণ তথা কলেজে সুখি প্রাপ্ত

5.1.4 - The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases. The Institution has a transparent mechanism for timely redressal of student related grievances. The institution confirms to tackle the issue of grievances. Below we discuss all the four points of student related issues.

## 1. Implementation of Guidelines of Statutory/Regulatory Bodies:

A. The Institution has a transparent Mechanism for timely redressal of Student Grievances including sexual harassment and ragging cases. The system to register the student's grievance is to register by offline or online. The online system to register the grievance is to submit by login in the college website: <https://nayagramprmgovtcollege.ac.in>. Similarly for the possible case of women sexual harassment in campus, the mechanism will be dealt according to the rule of "Handbook on Sexual Harassment of women at workplace Act, 2013". However there is no such cases in last 10 years of starting the College.

It is a regular routine in our college to pay attention to common grievances of the students at Principal's level and also during Internal Complaints Cell meetings. However some of those which require immediate attention are discussed in the meeting of Grievance and Redressal Cell.

- B. For the possible cases of ragging in campus, the mechanism will be dealt according to the rule of UGC, MHRD, GOI. However there is no such case in last 10 years of starting the college.
- C. Similarly, the code of conduct for Students to avoid their grievances is displayed in the college notice board as well as in the college website, Code of Conduct for students in this context.

## 2. Organisation wide awarness and under takings on policy with Zero Tolerance.

Through registering student's grievances through online process different types of poster describing 'Zero Tolerance to Ragging', etc are being put-up on the wall in college campus about rules and regulations for prevention of ragging, about punishment of ragging, steps are taken for removal of Student grievance, tendencies of ragging.

### 3. Mechanism for submission of online/offline student's Grievance:

The college follows the guidelines of statutory/regulatory bodies for the following grievances.

**Policy:** A Grievance Redressal Cell is constituted in this college. This works are done regularly with the active participation of chairperson along with the members of this cell. The aim of the cell is to solve or to discuss how to solve the case of student's grievances. This committee also gives suggestions to deal problem within time limit.

**Mechanism:** As a mechanism of student's grievance redressal there are two main ways. First by online method, and Second offline method. In the online method student can register his/her complain, by using the college website: <https://nayagramprmgovtcollege.ac.in> and submit his/her information like, his/her name, class category, college Roll No, Mobile Number and give details about category, College Roll No, Mobile Number and give details about his/her complaint. The aim of knowing the category of the student is to investigate whether there is any discrimination regarding this issue. The aim of knowing his/her name is to investigate whether there is any sexual harassment related issues in the complaint. However there is no case registered till date regarding this issue except some common and nominal grievances regularly.

Another mechanism of registering the complaint is through offline. The offline method is again of two ways, either putting a letter in the complaint box, or by direct meeting with Principal to give any written complaint.

Further, there are some other methods:

- (a) Identity Card checking in front of the college entrance.
- (b) The poster of code of conduct in the college.
- (c) An online window is open in the college website specially for the purpose of registering student's grievance.

The college believes in promoting a safe and efficient climate by enforcing behavioral standards. All students must uphold academic integrity, respect all persons and their rights and property and safety of others, etc Any act of discrimination (Physical & Verbal conduct) based on an individual's gender, caste, race, religion or religious beliefs, color, region, language, disability or sexual orientation, marital or family status, physical or mental disability, gender identity etc.

Like these there are many types of code of conduct and discipline for students mentioned in the Code of Conduct for Students in the college website and the poster of code of conduct in the college.

Respected Sir,

This is for your kind information that the present intake capacity in B.A. General Course in our college is 330. Already 310 students have been admitted in this course up to the date 13/09/2021. Remaining 300 students are there in the merit list having chance to be admitted in this course. Our college is located in a backward region where the students want to be admitted in the nearby college to continue their higher education. Therefore, we are earnestly requesting you to increase the intake capacity of the said course to atleast 450. It will be beneficial for the students to continue their higher education if you allow to increase the number of intake capacity.

Please look into the matter and do the needful.

Subject: Prayer for the Introduction of Anthropology, Computer Science and Economics or Physics,  
Chemistry and Computer Science as General Subjects in the Academic Session, 2022-23

Respected Madam,

This is to inform you that as per CBCS system under Vidyasagar University all the subjects **except Geography and Mathematics** which are taught in our college have been treated as Arts subjects from the academic session 2018-2019. The introduction of B. Sc. General course needs at least three science subjects in the college. But, presently there are only two science subjects namely Geography (General) and Mathematics (General) in our college. So, in this situation it is not possible to introduce B. Sc. General course in the college. **It was previously intimated, but without the introduction of aforementioned subjects the B.Sc. general course was not offered in the college in the academic session 2018-19, 2019-20, 2020-21 and 2021-22.**

So, let me request you to consider my prayer for the introduction of Anthropology, Computer Science and Economics or Physics, Chemistry and Computer Science as General Subjects from the next Academic Session (2022-2023) so that the B.Sc. general course may be offered in the college in the academic session 2022-23. Otherwise, the college will not be able to cater to the needs of the students who will opt for Geography and Mathematics as B.Sc. General Subjects.

Respected Madam,

This is to inform you that at present the Department of Santali (General) has a total enrolment of 180 students taught by two full-time teachers. CBCS has been rolled out from the academic session 2018-2019. As the college is named after the legendary personality Pandit Raghunath Murmu (1905-1982) who is held as a great educationist especially as the founder of the 'Alchiki' script of 'Santali' language, there emerges a great demand for the introduction of Santali Honours course to cater to the educational need and aspiration of the students of Jungle-Mahal.

You are, therefore, requested to do the needful at your earliest convenience. I hope that you will give due importance to the aforementioned demand of the college.
