Subject: Prayer for the Introduction of Anthropology, Computer Science and Economics or Physics,
Chemistry and Computer Science as General Subjects in the Academic Session, 2022-23

Respected Madam,

This is to inform you that as per CBCS system under Vidyasagar University all the subjects except Geography and Mathematics which are taught in our college have been treated as Arts subjects from the academic session 2018-2019. The introduction of B. Sc. General course needs at least three science subjects in the college. But, presently there are only two science subjects namely Geography (General) and Mathematics (General) in our college. So, in this situation it is not possible to introduce B. Sc. General course in the college. It was previously intimated, but without the introduction of aforementioned subjects the B.Sc. general course was not offered in the college in the academic session 2018-19, 2019-20, 2020-21 and 2021-22.

So, let me request you to consider my prayer for the introduction of Anthropology, Computer Science and Economics or Physics, Chemistry and Computer Science as General Subjects from the next Academic Session (2022-2023) so that the B.Sc. general course may be offered in the college in the academic session 2022-23. Otherwise, the college will not be able to cater to the needs of the students who will opt for Geography and Mathematics as B.Sc. General Subjects.

Anticipating your benevolent response,

Thanking you,

Yours faithfully,

Sub: Prayer for the introduction of Santali Honours course in the college

Respected Madam,

This is to inform you that at present the Department of Santali (General) has a total enrolment of 180 students taught by two full-time teachers. CBCS has been rolled out from the academic session 2018-2019. As the college is named after the legendary personality Pandit Raghunath Murmu (1905-1982) who is held as a great educationist especially as the founder of the 'Alchiki' script of 'Santali' language, there emerges a great demand for the introduction of Santali Honours course to cater to the educational need and aspiration of the students of Jungle-Mahal.

You are, therefore, requested to do the needful at your earliest convenience. I hope that you will give due importance to the aforementioned demand of the college.

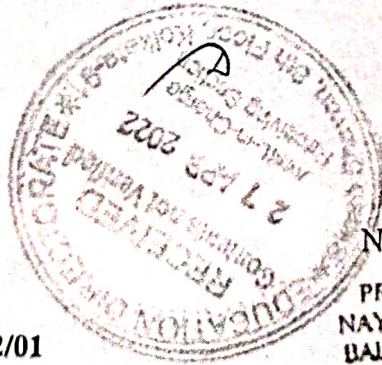

Thanking you,

Yours faithfully,
